Financial Policy

Welcome to Mill-e-Moto. It is our goal to provide quality healthcare and we are glad you have chosen us to assist you. There are a few options in regards to payment for the services that we provide.

We are *in-network* providers for most major health plans. If you will be utilizing your insurance, we advise that you have a basic understanding of your plan's coverage for acupuncture services and the amount of your co-payment and/or deductible; we will review your coverage with you.

If you do not have health insurance coverage and will be paying cash for services please review the following options below. *With all options, payment is due on the day of service.*

Insurance Coverage

We will file your claim if you provide us with your current insurance cards. This does not mean that we have a contractual relationship with your insurance plan. We will call your insurance company to verify your eligibility and benefits. This does not guarantee payment. Your insurance plan is a contract between you and your insurance company. Patients covered by insurance policies which have deductible or co-pay provisions are legally obligated to meet those provisions.

Cash Patients

We offer the following options for cash patients. We accept cash, gift certificates, personal check, and major credit cards.

- Standard price of \$145 per initial visit and \$95 for follow-up visits.
- Package of 10 gift certificates at the discounted rate of \$750
- Package of 5 gift certificates for \$425.
 - Gift certificates are transferable and do not expire; they are non-refundable.

Appointment Cancellations

Please provide 24-hour notice for all cancellations. Our policy is to charge a \$40 cancellation fee for missed appointments if 24-hour notice is not given.

If you have further questions or concerns about our financial policy, please contact us.

I have read and accept the terms outlined above. I agree that in the event my account is over- due and costs associated with services provided for my care have not been paid, I will pay costs and fees including collections costs, attorney fees and court costs.
